.....

In connection therefore with the Client's trading account with House of Borse, the undersigned Client hereby requests to establish its account(s) with House of Borse as an interest free account(s) ("Interest Free Account").

The Interest Free Account will be charged a daily management fee applicable for positions held open with House of Borse beyond the close of business day ("Management Fee"). Note, this will apply only to a contract or product which is not a future.

In the event the Client's position(s) are rolled into the next business day, then the Client shall be charged the Management Fee from the date the position(s) was/were opened and on a daily basis for each day, including weekend, until the position(s) with House of Borse is/are closed.

Management Fee on all account types are subject to change at any time. House of Borse reserves the right to revoke the Interest Free Account in its sole discretion at any time. Corporate accounts are not eligible for this interest free option.

*By signing this Addendum the Client confirms that the information provided is correct. The Client further acknowledges that House of Borse's Standard Terms of Business is a legally binding agreement. The undersigned further acknowledges having received, read and understood the Addendum and acknowledgment and request for Interest Free Account. Please check the website for the Management Fees.*

*You should only engage in investments if you are prepared to accept a high degree of risk, and in particular the risks outlined by House of Borse in its Standard Terms of Business. You must be prepared to sustain a loss in excess of your deposited funds with House of Borse as well as any losses, charges (such as interest) and any other amounts (such as costs) House of Borse incurs in recovering any payment from you. Given the possibility of losing more than your entire investment, speculation in certain investments should only be conducted with risk capital funds that if lost will not significantly affect your personal financial well-being. Before deciding to trade the products offered by House of Borse, you should carefully consider your objectives, financial situation, needs and level of experience. You should be aware of all the risks associated with trading on margin.*
